Sanlorenzo SD 112 Built 2018 Asking Price : 8.495.000 € Vat not paid

The SD112 is a tri-deck motoryacht designed for the historic Sanlorenzo semi-displacement fiberglass line. She is a testimony to great balance in terms of design, volume and performance. With 3 decks, this model carries forward features of the SD range - including curved doors, lateral windows, and a private recreation area on the sun deck.

This 34m SANLORENZO SD112 for sale, is the yacht that marks the debut of the Citterio Viel studio in the nautical world and affirms the primacy of the Italian shipyard in dictating new rules of style and design.

Faithful to its stylistic code of timeless lines and above fashions, Sanlorenzo has been collaborating for years with the best brands of contemporary interior design, favoring the entry "on board" of large companies and design firms. Today the shipyard confirms the indissoluble link between home and yacht, between the sphere of living and boating, managing to amalgamate the two worlds by creating elegant innovations appreciated by yacht Owners from all over the world.

The nautical atelier creates the perfect combination of design and the sea. On board this SANLORENZO SD112, you can breathe the atmosphere of the great yachts, they recover the refined style in a process of reinterpreting its stylistic features.

The SD112 combines the beauty of the exterior with the unique possibility of experiencing the sea to the fullest in maximum comfort. Specifically, this SANLORENZO SD112 marries the curve of the hull, highlighting the shapes instead of hiding them, enhancing them and telling their beauty. The living area has been entirely redesigned: it becomes a place where attention to detail and elegance meet living comfort and space optimization, each corner represents the encounter between quality and maximum customization, the combination of the Owner's precise style requests and desires but full of practical additional features and options.

This SANLORENZO SD112 for sale comfortably accommodates in Italian contemporary style, up to 11 guests in 5 staterooms with the Master suite on the main deck. RINA class, she has a successful charter history and has always been followed by her crew as well as professionally maintained. She constitutes an elegant and fully equipped tri-deck yacht, including zero speed stabilizers, which can be used either private or charter.

Powered by twin 1224 Hp MTU Diesel engines, she reaches a maximum speed of 17 knots while cruising at 11 knots, with a range of approximately 2750 nautical miles.

Full Specs

MAIN CHARACTERISTICS

Builder: Sanlorenzo SpA (Italy)

Model: Sanlorenzo SD 112

Naval Architect: Sanlorenzo

Exterior Designer: Francesco Paszkowski

Interior Designer: Citterio Viel & Partners Design Studio

Yacht Type: Motor Yacht / Tri-deck Superyacht / Semi-displacement

Hull Material: GRP

Superstructure Material: GRP

Decks: Teak

Year: 2018

Length: 34.10 m (112’)

Length at Waterline: 29.60 m (97’ 2”)

Beam: 7.66 m (25’ 2”)

Draft: 2.06 m (6’ 7”)

Displacement: 170,000 Kgs (380,800 Lbs)

Gross Tonnage: 266 GT

Flag of Registry: Italy

Classification: RINA CE A category, RINA Commercial

Lying: Italian Riviera, Italy

PROPULSION

Type / Fuel: Twin Screw Diesel

Engines: 2 x 1224 Hp (915 kW) MTU 10V 2000 M72 @ 2250 RPM

Engine Hours: 1380 h (Aug. 2022)

Cruise Speed: 11 knots

Max Speed: 17 knots

Cruise Range: 2750 NM (Approx.)

Gearboxes: 2 x ZF 3311, R=4:1

Drives: Direct Shaft in MARINOX 17 (AISI630) diam. 105mm

Propellers: 5-Blade in NiBrAl class "S"

Rudders: AISI 316 steel

Flaps: Electric trim tabs

TANKAGE

Fuel Capacity: 30,000 l (7,925 USG)

Fresh Water Capacity: 4,000 l (1,057 USG)

Black and Grey Water Tanks: 2,000 l (528 USG)

ACCOMMODATION

5 En-suite staterooms for up to 11 Guests

Guest Cabin Configuration:

- *Master (Double with King-size bed on Main Deck)*
- *2 VIP Doubles*
- *2 Twin guest cabins, one with additional Pullman bed, the other convertible to double with sliding bed*
- *Guest Bathrooms: 7 (day-heads on main deck and upper deck)*

Crew Accommodation:

- *6 Persons in 3 cabins with en-suite facilities*
- *Crew Bathrooms: 3*
- *Crew mess*

Main deck with saloon, with corner sofa, armchair and coffee table, Dining room with table for 8, Day-head and fully equipped Galley

Upper deck with wheelhouse, day-head, saloon and dining

Independent AC controls system in every area

finished in marble with parquet flooring

MAIN EQUIPMENT

Bow Thruster: Electrical bow thruster 400VAC/50Hz 3-phase, 45kW

Stabilizers: 2 x CMC Electric zero speed stabilizers 400 VAC/50Hz 3-phase, 5kW

Trimming System: Stainless-steel Intruder (AISI 316) on the transom, below the waterline, to raise the stern during navigation and increasing the performances

Air Conditioning: 240,000 BTU/h Chiller Unit composed by 2 x compressors installed in the engine room

ELECTRICAL SYSTEM

Electrical Circuits:

- *400VAC/50Hz 3-phase grounded neutral, for main power circuits*
- *230VAC/50Hz single phase for accommodation and technical area lights*
- *24 VDC from batteries, with negative to earth, for small appliances, visual signals, night accommodation lights, emergency lights, electronics and main engine starters*
- *12VDC from batteries with grounded neutral, for diesel generators start up and VHF emergency power supply*
- *12VDC from transformer DC/DC for radio navigation system*

Generators:

- *1 x 70 kW KOHLER 70EFOZDJ, and 1 x 54 kW KOHLER 54EFOZDJ 400/230 VAC, 50Hz 3-phase @ 1500 RPM (2600 h Aug. 2022)*

Batteries:

- *Services Batteries: 24VDC gel/AGM batteries (500Ah)*
- *Main Engines Electronic Control Batteries: 24VDC gel/AGM battery for each of main engines' own electronic control*
- *Main Engines Start Batteries: 24VDC gel/AGM battery for main engines' start up*
- *Generators Start Batteries: 12VDC gel/AGM batteries for starting each electric generator*
- *Emergency Batteries: 24VDC gel/AGM batteries for stairs, escape hatches and passages emergency lights; engine room emergency lights; emergency power supply for navigation lights and relevant*
- *switchboard; emergency power supply for fire detection system; emergency power supply for navigation electronics; emergency power supply for firefighting pump*

- *VHF Emergency Battery: 12VDC gel/AGM battery*

Battery Chargers:

- *1 x 24VDC automatic battery charger for service batteries*
- *1 x 24VDC automatic battery charger for main engines start up batteries*
- *1 x 24VDC automatic battery charger for main engines electronic control batteries*
- *1 x 24VDC automatic battery charger for emergency batteries*
- *1 x 12VDC automatic battery charger for generators start up batteries*
- *1 x 12VDC automatic battery charger for the VHF emergency batteries*

Shore Power: GLENDINNING Cablemaster CM8 for shore sockets 100/125 A with 20m cable

Insulation Transformer: 400VAC/50Hz 3-phase, 60kVA 3ph/3ph+G+N

NAVIGATION & COMMUNICATION EQUIPMENT

Wheelhouse Steering Position:

- *Radar (Black Box type)*
- *Chart Plotter (Black Box type)*
- *Control keyboard for Radar and Chart Plotter*
- *3 x 19" Monitors interfaced with radar, chart plotter, on-board computer and CCTV*
- *Rudder angle indicator*
- *Autopilot control panel with dedicated tiller*
- *2 x Multi-function instruments (with Anemometer data repetition)*
- *1 x VHF*
- *1 x Magnetic Compass*
- *1 x Search light control panel*

Sundeck Manoeuvring Position:

- *1 x Rudder Angle Indicator*

Antennae Mast:

- *1 x VHF Antenna*
- *2 x GPS Antennas*
- *Open Array 6' Radar Antenna*
- *Anemometer*
- *Searchlight*

Intercom:

- *Dedicated communication system to connect the wheelhouse steering positions with the engine room*

Internal Communication Telephones:

- *Main saloon*
- *Owner's cabin*
- *Crew dinette*
- *Captain's cabin*
- *VIP cabins*
- *Guest cabins*
- *Wheelhouse*
- *Sky lounge*

ENTERTAINMENT EQUIPMENT

Saloon Main Deck:

- *TV 'Smart TV' LED 50" with an up/down mechanism*
- *Multi zone amplifier with AIR play and 5.1 home theatre kit comprising a subwoofer and 5 ceiling integrated speakers with connection to the cockpit and sundeck*
- *DVD Blu-ray 3D player*
- *iPad Mini for central control of equipment and docking station*

Cockpit Main Deck:

- *2 x Paired speakers integrated in the headlining connected to the saloon equipment*
- *Controlled by the saloon iPad Mini*

Sky Lounge Upper Deck:

- *TV 'Smart TV' LED 46" with an up/down mechanism*
- *Multi zone amplifier with AIR play and 5.1 home theatre kit comprising a subwoofer and 5 ceiling integrated speakers with connection to the cockpit and sundeck*
- *DVD Blu-ray 3D player*
- *iPad Mini for central control of equipment and docking station*

Cockpit Upper Deck:

- *2 x Paired speakers integrated in the headlining connected to the sky lounge equipment*
- *Controlled by the sky lounge iPad Mini*

Sun Deck:

- *4 x (2 + 2) Paired speakers integrated in walls connected to the sky lounge equipment*
- *iPad Mini for central control of the equipment and docking station*

Owner's Cabin:

- *TV 'Smart TV' LED 40"*
- *Amplifier with AIR play and 2.1 home theatre kit comprising a subwoofer and 2 ceiling integrated speakers*
- *DVD Blu-ray 3D player*
- *iPad Mini for central control of equipment and docking station*

Forward Guest Cabins (2):

- *TV 'Smart TV' LED 28"*
- *Amplifier with 2 ceiling integrated speakers*
- *DVD Blu-ray 3D player*
- *Infrared signal repeater*

Aft Guest Cabins (2):

- *TV 'Smart TV' LED 32"*
- *Amplifier with 2 ceiling integrated speakers*
- *DVD Blu-ray 3D player*
- *Infrared signal repeater*

Captain's Cabin:

- *Autoradio with DVD player and 2 ceiling integrated speakers*
- *TV predisposition*

Crew Cabins:

- *Predisposition for TV, car stereo and ceiling speakers*

Galley/Crew Dinette:

- *TV LED 28"*
- *Compact Hi-Fi system with 2 ceiling integrated speakers*
- *DVD player connected to the Hi-Fi system*
- *Infrared signal repeater*

Helm:

- *Autoradio with 2 ceiling integrated speakers*

Bow Area:

- *Predisposition for speakers connected to the sun deck zone of the sky lounge amplifier*

Land TV antenna and AM/FM radio antenna

Audio system managed by CRESTRON

DECK EQUIPMENT

Swimming Platform: Electro-hydraulic lift system, deck in natural teak

Gangway: Electro-hydraulic telescopic boarding gangway in natural teak

Mooring Winches: 2 x Electrical capstans, 400VAC/50Hz 3-phase, 4kW controlled via local footswitches with single rotation direction

Windlasses: 2 x Electrical windlasses, 400VAC/50Hz 3-phase, 4kW on stainless-steel plates flush with the main deck and locally controlled by wired remote control and chain wash

Anchors: 2 x Galvanized steel anchors, 180Kg each

Anchor Chains: 2 x 137,5m of 14mm chain with stud link

2 x Boat hooks

1 x 75m (246') nylon rope (diameter 30mm)

2 x 25m (82') nylon ropes (diameter 30mm)

2 x 20m (82') nylon ropes (diameter 30mm)

8 x Cylindrical fenders

2 x Spherical fenders

8 x Fender hooks

Manual swimming ladder in stainless steel AISI316 with teak steps

Quay water socket

Cockpit and Upper deck table

Stern garage for tender and water sports

SAFETY & SECURITY EQUIPMENT

2 x Self-inflatable life rafts for a total of 20 people, located on the upper deck cockpit

2 x Lifesaving rings with rope and emergency light

18 x Life jackets

Certified first aid kit

EPIRB

Smoke and petrol vapour detection system throughout the vessel

Smoke detectors in the accommodation area

Smoke detectors in the galley, engine room, control room and garage

Seawater Fire Fighting System: Main firefighting system composed of 4 fire hoses (one at the bow,

one amidship, one astern on the main deck and one on the upper deck cockpit), fed by a 400VAC pump located in the control room

Portable Fire Extinguishers: Powder, foam and CO2 portable fire extinguishers are located onboard

according to the requirements of the Classification Society

Engine Room, Control Room and Garage: Protected by a manual activated fire extinguisher system using FM200, which is a new clean fire extinguishing agent

LIST OF OPTIONS

Satellite TV antenna TV-SAT Antenna SEATEL ST24E

Satellite receivers / decoders, DTV, DVD

AM / FM radio

Hi-Fi stereo system

Awning (aft of the upper deck cockpit)

TVs & TV system

3 x TVs in the crew cabins (Captain's cabin and 2 forward cabins)

4G Wi-Fi wireless internet system with antenna for connection to the port Hot Spot

1 x IP CCTV motorized in the manoeuvre cabin, + 2 motorized on the sidewalks and 1 motorized + 1 fixed in the engine room and 1 for the bow deck with CCTV monitored system in the wheelhouse screens

FLIR night vision camera

SIMRAD Diamond navigation package

Dishwasher MIELE

Washing machine

Combination microwave WHIRLPOOL

Ceramic hob (90 cm)

Extractor hood

Oven (90 cm)

2 x Additional freezers (in crew area)

External refrigerator

Internal refrigerator (MABE / GE)

3 x Ice makers

Waste compactor under the galley sink

Dryer (MIELE)

2 x BBQ / Grill GAGGENAU

Undercounter refrigerator in the living room

Undercounter refrigerator in the sun deck furniture bar

GAGGENAU winery 64 bottles

2 x Boilers

2 x Safes (in Captain & Owner's cabins)

Reversible air conditioning system

Complete cushions (stern cushions, bow, upper deck, sun deck and cockpit)

Black water system

Inverter

12V internal sockets

220V internal sockets

Electric marine toilets

Aft GLENDINNING Cablemaster CM8 for 100 / 125A dock sockets

TECNICOMAR Black water treatment system

Filling station for the tender in the garage

Additional sound absorbing insulation in the bulkhead between the engine compartment and guest area

Teak deck on upper deck and sundeck

Custom Jacuzzi on the sundeck with sea water system

Side balcony with saloon door on main deck

Cockpit mobile bar

Umbrella for bow table

Triangular hard top above the Jacuzzi

Pullman bed in the guest cabin

Décor NEW ENGLAND

Parquet floor in the living room on main deck

FLAG TV lift in the saloon

Launching and hauling system for tenders in the garage

Teak cockpit

Chain washing

Courtesy lights

5 x OCEANLEAD underwater lights

Automatic and manual bilge pump system

Quay water socket

Complete set of cushions and awnings

TENDER *CASTOLDI Jet 5m tender*

Yacht Brochure *Available on request.*

Inspections *Prior appointment, please.*
