Benetti 50 M 2019
Model Benetti 50 M Displacement
Diesel
LOA 49.80 M
Beam : 9.26 M
Draft 2.70 M

Motoryacht
Guest cabins : 6
Crew Cabins : 6

Located on the Italian Riviera, this BENETTI 50M yacht is now ready for inspections, early viewings are highly encouraged.

The BENETTI 50M FB803 is a semi custom-built hull from the renowned Italian yacht builder, built in 2019 with a US-compliant power converter. This 50m tri-deck motor yacht features a streamlined and sleek exterior design with some standout design features by Bannenberg & Rowell, such as a private Owner's balcony and beach club with sauna. Her impressive volume of 498 gross tons is evident across all her decks both outdoors and indoors.

The yacht's elegant, airy interior is flooded with natural light from the panoramic windows and sleeps up to 14 guests in 6 luxurious and well-appointed en-suite staterooms. The yacht also showcases a stern beach club with sauna and a spacious 126m2 sundeck with Jacuzzi and additional external lounging provide plenty of room for relaxing and enjoy the sun. 11 crew have been carefully maintaining this Superyacht, presented in immaculate condition, and solely used privately by her Benetti-repeat Owner since her delivery in 2019.

This BENETTI 50M Tri-deck Superyacht for sale provides not only great space for the Owner and guests but also a very smart and functional general arrangement for the crew providing plenty of privacy.

In an interesting twist, this BENETTI 50M features a fiberglass hull and an aluminium superstructure. The mating of these materials is not new. The yacht follows a mostly typical general arrangement within her 30+ foot (9.26-meter) beam. 4 guest staterooms are below decks, an additional double cabin on the bridge deck, with the Master suite on the main deck, complete with study and a balcony. Two of the guest cabins (twins) have Pullmans in addition. The sundeck has virtual acres of space, comprising 1356 square feet (126 m2) a forward Jacuzzi and an outdoors BBQ and dining.

Built to ABS/LY3 standards, the BENETTI 50M is a custom full displacement yacht, powered by twin screw 1600 Hp Caterpillar diesel engines providing a cruising speed of 14 knots and a range of 4000 nautical miles. With a Naiad Dynamics stabilisation system, the result reduces roll motion effect and provides a smoother, more enjoyable cruising experience underway as well as at anchor.

This 164-foot (49.80m) megayacht, started on spec, and was built for an experienced Owner seeking timeless styling, beautiful furnishings and sumptuous accommodation throughout to create an elegant and comfortable atmosphere. The yacht is fitted with high-quality materials such as Canaletto walnut and brushed spruce light woodwork, fine carpets, Eramosa or Travertino classic marbles and lacquered ceilings. For socialising and entertaining with family and friends, the yacht also carries an impressive array of state-of-the-art entertainment equipment, tenders and watertoys.

Key Features :

Recent Italian-built Displacement Superyacht with immediate delivery Full Options
6 En-suite Staterooms for up to 14 Guests
Master stateroom on main deck with private terrace
Long-range cruising
Impressive volume and quality standards Hard top, barbecue and Jacuzzi on sundeck Beach club and sauna on transom
Low running hours
Power converter for North-America
ABS Class, LY3 compliant

Length Waterline (full load): 41.20 m (135’ 2”)

Max Beam Overall: 9.26 m (30’ 5”)
Draft at Full Load (inc. Keel): 2.70 m (8’ 10”)
Displacement (light ship): 347,790 Kgs
Gross Tonnage: 498 GT
Class: ABS ✠ A1 Commercial Yachting Service, ✠ AMS, LY3 Compliant Flag of Registry: Cayman Islands
Location: Italian Riviera

PROPULSION:

Type / Fuel: Twin Screw Diesel
Main Engines: 2 x 1600 Hp (1193 kW) CATERPILLAR C32 ACERT Engine
Hours: 1590 h (June 2024)
Maximum Speed (half load): 15.5 knots
Fuel Consumption @ Max Speed: 400 l/h
Cruising Speed (half load): 14 knots
Fuel Consumption @ Cruise Speed: 200 l/h
Economical Speed: 11 knots
Range @ Economical Speed: 4,000 NM
Gear Boxes: 2 x ZF 3356 gearboxes
Propellers: 2 x DETRA 5 fixed blades made in NiBrAl

TANKAGE:

Fuel capacity : 55.000 L
Fresh water capacity : 11.000 L
Grey Water Capacity : 1872 L
Black Water Capacity: 2,824 l (746 US Gallons)
Oily Bilge Water: 1,721 l (454 US Gallons)
Sludge: 1,721 l (454 US Gallons)
Clean Oil: 0,773 l (0,204 US Gallons)
Dirty oil : 0.773 l

ACCOMMODATION:

Up to 14 Guests in 6 en-suite staterooms Guest Cabin Configuration:

Master cabin (double King-size island bed) on main deck with private study at the entrance, private terrace with balcony, His & Hers dressing rooms, His & Hers bathrooms, with central tub and shower compartment

2 x VIP cabins belowdecks, each with double island beds, walk-in closets, en-suite bathrooms
2 x Twin Guest cabins belowdecks, each with additional Pullman beds,

closets and en-suite bathrooms 1 x Double VIP cabin on upper deck, with closet and en-suite bathroom

Main saloon, formal dining, day-head and fully equipped galley with pantry main deck Skylounge/media room, bar, gaming table, pantry and wheelhouse on upper deck Day-head on sundeck
Stern beach club with sauna and day-head

Crew Accommodation Configuration:
11 Crew in 6 en-suite cabins
Captain's cabin on upper deck (double) with en-suite bathroom
5 x Crew cabins on lower deck, each with bunkbeds and en-suite facilities
Crew mess and dinette

Laundry area in underdeck

Dark Wood: Canaletto Walnut - High gloss finishing Light Wood: Brushed spruce
Ceiling: Majilite panels - Frame in white oak
Floor: Carpet and wood

Guest Area:

Dark Wood: Canaletto Walnut - High gloss finishing Light Wood: Brushed spruce
Floor: Carpet

Bathrooms:

Dark Wood: Canaletto Walnut - High gloss finishing

Light Wood: Brushed spruce

Ceiling: Off-white lacquered 25% gloss

Marble: Eramosa vein cut sand and polished finishing - Silver Travertine vein cut sand and polished finishing

MAIN ANCILLARY EQUIPMENT ;

Fin Stabilisers: 2 x NAIAD DYNAMICS stabilizer system with non-retractable fins for underway and at anchor operations

Bow Thruster: NAIAD DYNAMICS electric bow thruster 90 ekW, controlled from wheelhouse and bridge wings

Fuel Transfer Pumps: 2 x GIANNESCHI fuel transfer pumps, each with RACOR filters and fitted with a Y strainer (whose drip tray is connected to the sludge tank)

Fuel Separator: ALFA LAVAL fuel oil purifying system, capacity (average) 1.5 m3/h Fuel Oil Filters: 2 installed in each engine
Sewage Treatment System: HAMANN
Grey Water Pumps: GIANNESCHI

Fresh Water Pumps: 2 x Electrical pumps with variable speed controllers model G&R ACM 402 BT 6-12 m3/h 63- 14 m H2O, with pressure water tank (membrane type) for smoother operating

Hot Water Pumps: 2 x Hot water circulating pumps, the hot water close loop is fitted with a thermometer and a thermostat

Water Makers: 2 x IDROMAR reverse osmosis water makers with a capacity of 7,500 l per day/each with all necessary gauges, filters, high- and low-pressure pumps (3-phase) and filter with reverse cycle cleaning

Water Softener: Water softener connected to the filling line of the tanks, treating water supplied from shore and from water makers

Water Heaters: 2 x Electrical stainless-steel heating tanks each with 300 l capacity and 10 kW (5+5) heating elements each and double temperature sensors. These boilers are fitted with 1" 1/4 discharge connection on their bottom, each water heater includes drip tray draining to the bilge

Fresh Water Steriliser: A particle filter and an ultraviolet sterilizer is installed, with automatic chlorine dosing unit, after desalination plant and at filling point inlet

Sea Water Cooling Pumps: 1 x electric pump for stabilizers system cooling, each propeller shaft is provided with a flowmeter switch, to measure the flow

rate of cooling sea water. A ball type sight glass is installed on sea water line to shaft line

CONDARIA Air Conditioning System designed for the following parameters:
Summer Conditions: External air 35° C, RH 85% / Internal air 22° C, RH 55%
Winter Conditions: External air 0° C, / Internal air 22° C, RH 50%
Maximum sea water temperature: 32 °C

Air Treatment Units: Air Purifier system installed in all fancoils and areas of the yacht

Bilge and Fire System: Each watertight compartment has a separate bilge suction connected through a bilge manifold to the electric pumps. Bilge and fire pumps are installed with cross connections to be used for both bilge or fire systems

FM-200 Fire-Fighting System: Fixed FM-200 firefighting is installed to protect the engine room, additional FM-200 bottle installed outside the engine room

ELECTRICAL EQUIPMENT :

Electric System: 400V AC 50 Hz, 3-phase for main equipment, 230V AC 50 Hz, 1-phase for small use Generators: 1 x CAT 118 kW + 1 x CAT 150 kW - 400V AC, 3-phase 50 Hz
Generator Hours: Port 2543 h, Stbd 2965 h (June 2024)
Batteries:

24V DC batteries, installed in battery boxes as per Classification Society rules, all batteries Gel type

1 x 24V DC, gel set for emergency (capacity 640 Ah)

Radio Batteries: 1 x 24V DC, gel set for radio equipment (capacity 160 Ah)

Service Batteries: 1 x Battery group (total capacity 480 Ah) in engine room, 1 x battery group (total capacity 640 Ah) in wheelhouse for emergency lighting

Generators Starting Batteries: 1 x Battery (120 Ah capacity each) for each generator

Engines Starting Batteries: 2 x Batteries (200 Ah capacity each) for each engine Paralleling for the port and starboard main engine start batteries

Battery Chargers: 2 x MASTERVOLT battery chargers with change-over for main engines and generators, dedicated charger for service batteries

Low Voltage System: 24V DC to supply auxiliary items and equipment

Shore Power Inlet Sockets: 1 x 125 A on transom and one 125 A at bow) and one shore semi-automatic stowing system in the garage, 125 A, cable length 25m

2 x Shore power cables, length 25m each, of suitable section for the two 125 A connections Two of the three shore connections can be connected simultaneously
1 x 100 kVA, 400V (inlet) / 400V (outlet) 3-phase + N, 50 Hz shore insulation transformer

NAVIGATION, COMMUNICATION AND SIGNALLING EQUIPMENT :

Benetti TEAM ITALIA I-BRIDGE System The visualizing system consisting of:

4 x 19” HATTELAND marine monitors
1 x Control system (based on trackballs and jogs)
1 x Conversion and switching systems (based on a video matrix)

Intercom system:
Magnetophonic emergency telephone system between: Wheelhouse
Engine Control room
Engine room (slave of ECR)
Lazarette emergency steering station

Speed Log: 1 x Speed Log system, IMO approved with transducer

Echosounder: 1 x Echosounder system, IMO approved with 2 x transducers one at the bow, one at the stern

Magnetic Compass: 1 x C-PLATH Jupiter ceiling mounted magnetic compass with deviation table

Wind System: 1 x WIND NMEA SYSTEM, with 2 x 6.5” monitors repeaters on bridge wings, an additional 6.5” monitor repeater with alarms in Captain Cabin

VHF Systems:

1 x VHF Class A GMDSS placed in wheelhouse
1 x VHF Class D placed in crew mess with remote unit in RT room 2 x SAILOR SP-3520 portable VHFs, for GMDSS compliance
3 x Commercial portable VHFs

Radars: 2 x Radars FURUNO mod. 2117 with 6.5 ft antenna
Gyrocompass: 1 x C-PLATH Navigat X Mk2 gyro compass with digital repeater for steering room Autopilot: 1 x Autopilot Navis AP3000 (wheelmark), with 2 x follow-up mini wheel on bridge wings GSM Phones: 1 x TELULAR cellphone SX-6
GPS System: 1 x FURUNO GPS model GP-170, plus 1 x GPS active antenna with NMEA interface Chart Plotter with ECS Chart-plotting system composed by:

TRANSAS NS4000 software package (cartography included)

1 x marine processor TRANSAS RS6 Sat Com System:

SAILOR STD C, for GMDSS compliance, with dedicated alarm control panel
SAILOR Fleet Broadband FB250 for data and VoIP
SEA TEL 4012 Vsat system as option

Horn: KAHLENBERG chromium-plated pneumatic horn with 3-tone automatic signal unit
Navtex System: Paperless FURUNO NX-700-B Navtex
Telephone Units: 10 x Wi-Fi cordless, 15 x fixed VOIP telephones and 1 x door phone (part of BEST system) EPIRB System: 1 x EPIRB SAILOR 406
Radar Reflectors: 2 x SAILOR radar reflectors
1 x AIS system, integrated with cartography
1 x SSAS SAILOR system, LRIT compliant
1 x BNWAS system with 4 stations (wheelhouse, Captain's cabin, Crew mess and 1st officer's cabin)
Engine Monitoring System: CAT integrated monitoring system, with a touch panel positioned in the wheelhouse

ENTERTAINMENT EQUIPMENT :

1 x TV antenna system for terrestrial broadcasting reception
1 x Radio antenna system for terrestrial broadcasting reception "BEST"
Integrated Entertainment System
Main Saloon / Dining Area:

1 x TV 65" SAMSUNG LED 3D Ultra HD 1080P 1 x "BEST" HD/3D A/V client
1 x SONY BD/DVD reader
1 x Apple TV

1 x DENON AVR-X4100 A/V Receiver, Wi-Fi, AirPlay, 3 multiroom zones 1 x High quality B&W speaker 7.1 system with powered subwoofer
1 x iPad mini retina 16GB, for A/V and domotics control

External Main Deck Aft (slave of main saloon): 1 x Keyboard for volume control
3 x Pairs of APART 8” marine speakers

Owner’s Cabin:

1 x TV 55” SAMSUNG LED 3D Ultra HD 1080P 1 x “BEST” HD/3D A/V client
1 x SONY BD/DVD reader
1 x Apple TV

1 x DENON AVR-X4100 A/V Receiver, Wi-Fi, AirPlay, 3 multiroom zones 1 x High quality B&W speaker 5.1 system with powered subwoofer
1 x iPad mini retina 16GB, for A/V and domotics control

VIP/ Guests Cabins (x 5):
1 x TV 40” SAMSUNG LED full HD 1080P
1 x “BEST” HD/3D A/V client
1 x SONY BD/DVD reader
1 x Apple TV
1 x DENON AVR-X3100 A/V Receiver, Wi-Fi, AirPlay, 2 multiroom zones 1 x Pair of 6” B&W speakers
1 x iPad mini retina 16GB, for A/V and domotics control

Captain’s Cabin:
1 x TV 32” SAMSUNG LED full HD 1080P
1 x SONY BD/DVD reader – USB connection 1 x YAMAHA MCR-750 Micro Hi-Fi system
1 x Pair of B&W speakers

Crew Cabins (x5):
1 x PIONEER DVH-340UB Micro Hi-Fi system, CD player with frontal USB connection 1 x Pair of APART 6” speakers

Crew Mess:
1 x TV 32” SAMSUNG LED full HD 1080P 1 x YAMAHA MCR-750 Micro Hi-Fi system BD/DVD player - USB connection
1 x Pair of APART 6” speakers

Galley:
1 x PIONEER DVH-340UB Micro Hi-Fi system, CD player with frontal USB connection 1 x Pair of APART 6” speakers

Skylounge:
1 x TV 65” SAMSUNG LED 3D Ultra HD 1080P
1 x “BEST” HD/3D A/V client

1 x SONY BD/DVD reader

1 x DENON AVR-X3100 A/V Receiver, Wi-Fi, AirPlay, 2 multiroom zones 1 x High quality B&W speaker 5.1 system with powered subwoofer
1 x iPad mini retina 16GB, for A/V and domotics control

External Upper Deck Aft (slave of sky lounge): 1 x Keyboard for volume control
3 x Pairs of APART 8” marine speakers

External Upper Deck Forward (slave of sky lounge):

1 x 2 x 1 x

Sundeck: 1 x 4 x 1 x

Keyboard for volume control
Pairs of APART 8” marine speakers Airport express

Marine CD/mp3 Player – Radio Tuner Pairs of APART 8” marine speakers Airport express

Beach Area:
1 x Marine CD/mp3 Player – Radio Tuner 1 x Pair of 8” marine speakers
1 x Airport express

Engine Control Room:
1 x PIONEER DVH-340UB Micro Hi-Fi system, CD player with frontal USB connection 1 x Pair of APART 6” speakers

Wheelhouse:
1 x PIONEER DVH-340UB Micro Hi-Fi system, CD player with frontal USB connection 1 x Pair of APART 6” speakers

Laundry:
1 x PIONEER DVH-340UB Micro Hi-Fi system, CD player with frontal USB connection 1 x Pair of APART 6” speakers

DOMESTIC APPLIANCES :

Dumb waiter serving all decks Crew Laundry:

2 x Washers ZANUSSI/MIELE

2 x Dryers ZANUSSI/MIELE Crew Mess:

1 x Microwave ZANUSSI/MIELE
1 x Fridge AEG ELECTROLUX/MIELE 1 x Dishwasher ZANUSSI/MIELE

Lower Deck Guest Lobby:
1 x Mini Fridge VITRIFRIGO

Galley:

1 x Convection Oven ZANUSSI/ELECTROLUX/MIELE 1 x Steam Oven ZANUSSI/ELECTROLUX/MIELE
2 x Fridge-Refrigerator ZANUSSI/ELECTROLUX/MIELE 3 x Burner electric ZANUSSI/ELECTROLUX/MIELE

1 x Fryer ZANUSSI ELECTROLUX/MIELE
1 x Hood ZANUSSI ELECTROLUX/METALTEK 1 x Dishwasher ZANUSSI/ELECTROLUX/MIELE 1 x Garbage macerator INSINKERATOR
1 x Ice Maker HOSHIZAKI

Main Deck Pantry:
1 x Glass Washer ZANUSSI ELECTROLUX/MIELE 1 x Microwave ZANUSSI/MIELE
2 x Wine Cellar EUROCAVE 70 bottles each

Owner’s Study:
1 x Mini Fridge VITRIFRIGO

Upper Deck Pantry:
1 x Glass Washer ZANUSSI/ELECTROLUX/MIELE 1 x Microwave ZANUSSI/MIELE
1 x Fridge AEG/ELECTROLUX/MIELE
1 x Wine Cellar EUROCAVE 70 bottles each
1 x Ice Maker HOSHIZAKI

Upper Saloon Bar:
1 x Ice Maker HOSHIZAKI
1 x Mini Fridge VITRIFRIGO

Sundeck:
1 x Ice Maker HOSHIZAKI
1 x Mini Fridge VITRIFRIGO 1 x Barbecue ALPES Inox

DECK EQUIPMENT :

Anchor Windlasses: 2 x OFFICINE NANNI 400V AC 3-phases vertical windlasses

Anchors: 2 x POSIDONIA anchors

Capstans: 2 x OFFICINE NANNI single speed electric capstans on the aft deck

Gangway: PINCRAFT stainless-steel hydraulic telescopic retractable stern gangway

Manual Side Boarding Ladder: 1 x CALISTRI removable eight steps ladder 19” (480 mm) walkway for side access to the main deck through the bulwark doors, mounted on side bulwark gates

Swimming Ladder: 1 x Hydraulic and recessed polished stainless-steel ladder on the swimming platform Beach Club Shower: Removable, in Inox, installed on the swim platform

Cranes for Tenders: Tender launch and recover overhead crane installed in the garage, hydraulically operated, with a lifting capacity of max 2500 kg

Hydraulically operated additional crane installed on the fore deck to launch and recover the rescue boat with a lifting capacity of 750 kg, with watertight protection for its electronic control box and power pack

Pool: 1 x ATLAS TECNICA jacuzzi whirlpool on sundeck, model Alimia Experience, with flood lights and overflow system. 12 kW heater with easy access to limit the cushions removal and underwater lights

Deck Washing Pump: Electric pump system connected to an expansion tank
Bridge Control Wings: Port & Starboard on upper deck
Air Horn: KAHLENBERG
Main Mast: Aesthetic aluminium alloy main mast with platforms and other

adequate supports for navigation and communication antennas and satellite dishes, masthead wind unit, navigation lights, flags Forward Mast: Aesthetic horseshoe aluminium alloy forward mast with navigation lights

LIST OF EXTRAS:

Frequency converter A/SEA model AC150 LC 3/2 6 @ 110 KvA - 60Hz
Main deck and upper deck electrically opening doors
Upper deck sliding door made custom in curved shape
Modified main deck and upper deck designer spiral staircases

8 x CANTAUPI underwater lights LED type on stern and side hull
Increased headroom in upper deck and min deck. Inside ceiling height 2.1m and outside ceiling height 2.6m Crew area wood upgrade, as per guest area
Noise comfort upgrade extra insulation in engine room bulkhead next to guest area
Satellite cable predisposition (compatibility with KVH or SEATEL systems)
Sauna in the beach club
Bar with fridge in the beach club
Diving equipment rack and compressor in the garage
Semi-circular bar in main deck aft with fridge, ice maker and mini sink
Semi-circular bar in upper deck aft with fridge, ice maker and mini sink
Rectangular aft exterior table on the upper deck, 7 persons each side

TENDERS & WATER TOYS

Tender: 1 x CASTOLDI 6.3m Tender, with 250 Hp inboard engine, 1580 kg
Jet Skis: 2 x SEADOO Spark Jet-Skis stowed in the ship's bow

Rescue Boat: ZODIAC 3.5m MOB with YAMAHA 15 Hp Outboard stowed in the ship's bow as per Flag Authority Requirements

4 x Seabobs
2 x Paddle boards
2 x Inflatable kayaks
Diving compressor
Scuba diving & snorkelling gear Water skis
Wakeboard
2 x Inflatable donuts
3 x Inflatable towable toys
