The BENETTI DIAMOND 145 Superyacht, is a 44.10-meter displacement tri-deck motor yacht featuring 5 guest cabins, a 2.28-meter draft, and a top speed of 15 knots. Built with a fiberglass/GRP hull and RINA classification, she's designed for open-ocean navigation, combining cutting-edge Italian design, elegance, state-of-the-art performance, and uncompromising comfort.

As the flagship of Benetti's Class category, the yacht embodies a perfect balance of tradition and innovation. Its striking exterior lines, designed by Giorgio M. Cassetta, complement contemporary and spacious interiors crafted by Benetti's Interior Style Department. These refined interiors provide a sophisticated and welcoming ambiance, setting new standards in luxury yacht design.

This BENETTI DIAMOND 145 represents the pinnacle of yachting luxury, by capturing attention with its dynamic and refined exterior line, enriched by large glass surfaces that create a unique connection between the interior and exterior. The interior spaces, defined by a "cosmopolitan" style and elegant curved shapes, offer with large glass surfaces, bright and panoramic areas designed to immerse guests in an atmosphere of complete relaxation and prestige, along with elegant curved lines and modern details.

With a gross tonnage of 471 GT, the BENETTI DIAMOND 145 is conceived for experienced Owners who value spacious layouts, maximum noise reduction, and Benetti's renowned craftsmanship.

The Diamond 145' exemplifies Benetti's blend of classic style and modern innovation. Its majestic exterior features high hull sides, a reverse sheer line, and expansive glazed surfaces that flood the interiors with natural light. Thoughtful design elements, such as the seamless outdoor stairway connecting the entry to the sundeck, enhance its grandeur while maintaining a timeless aesthetic that reflects Benetti's legacy.

The main deck features a bright open-space salon, perfect for relaxation, with floor-to-ceiling windows that create a total immersion atmosphere in the surrounding nature. The dining area is located on the upper deck, an exclusive space for dining with panoramic views.

This BENETTI DIAMOND 145 boasts 5 luxurious en-suite staterooms comfortably accommodating up to 10 guests, including a full-beam Owner's suite located on the main deck, complete with a private office, walk-in dressing room, and spacious bathroom. The 2 VIP cabins and 2 convertible twin cabins on the lower deck, offer exceptional comfort, ensuring versatility, privacy and relaxation for every guest on board. Guests are perfectly attended by a crew of 8 and the Captain.

Her twin 1400 Hp MAN V12 diesel engines deliver high performance and absolute reliability, allowing for a cruising speed of 14 knots and a maximum speed of 15 knots, with an extraordinary range of 3,800 nautical miles at her economical speed of 12 knots. Equipped with advanced stabilizers both underway and at anchor, the yacht ensures a smooth and pleasant cruising experience even in the roughest waters.

The yacht is also equipped with the latest technological innovations for safety and comfort. Internet connectivity is guaranteed by the Starlink system, while the entire yacht is outfitted with high-end appliances and luxury entertainment equipment. Onboard comfort is ensured by Veco Climma air conditioning and two powerful desalination units to ensure fresh drinking water at all times. 2 generators 118 kW each and 2 Asea power converters complement her comprehensive equipment.

The laundry area is equipped with two Miele washers and dryers, for maximum convenience even during long stays on board. Her fully-equipped galley and 2 pantries (one on each deck) include Miele and Frigomar appliances, with three microwaves, two dishwashers, and ample storage space.

Safety and sustainability are secured onboard, with a comprehensive wastewater management system and the highest safety standards, with fire-fighting systems and emergency pumps to handle any unforeseen events, while minimizing its environmental impact without sacrificing comfort.

This BENETTI DIAMOND 145 offers an unparalleled experience of entertainment and fun onboard, she is equipped with a Castoldi JT 21 tender and two SeaDoo Sparks, to fully enjoy days at sea with exciting and fun

activities. High-quality audio-video systems are present throughout the yacht, providing moments of absolute relaxation, both with movies and music, enriching the onboard experience.
