2009 Firebird FLY
F88 FLY luxury has a large comfort for an Italian yacht of exclusive value that embodies a wide variety of features, starting with the numerous common areas, safety and marked comfort at sea as well as an innate aesthetic style.

The outdoor spaces offer conviviality in the large aft deck and total relaxation by the sea, The fly bridge also offers ample space with a lounge area towards the stern and a dining area and equipped galley towards the bow. Many details are designed by the owner to ensure a pleasant stay on board.

The interiors are characterized on the main deck by a large lounge towards the stern. Towards the center of the ship there is a dining area with a galley equipped with a stove and 90cm oven. Then is the bow by an internal wheelhouse. On the lower deck there are four cabins consisting of a full-width master cabin amidships, two double cabins and a VIP cabin in the bow, all

cabins with en-suite bathrooms. The cabin crew is located at the bow and also features en-suite facilities, accommodating two crew.

In the years 2022-2023, a total refitting work was carried out that involved the entire boat. In this case, the refitting concerned the interiors have been completely repainted, new leather furniture has been built, and all the leather floors have been redone, replacing all the TVs with mirrored TVs, redoing the internal helm station
