Ferretti Custom Line 97 Motor Yacht for Sale

– Built 2007

– Last Refit 2025

– Up to 12 Guests in 5 En-suite Cabins

– Stabilized

Asking Price : Asking: €2,850,000 Ex. VAT

This 29.7-metre FERRETTI CUSTOM LINE 97 motor yacht for sale was launched in 2007 and is a fine example of the successful Custom Line series built by the notable Italian yard.

This CUSTOM LINE 97 is extremely well maintained by a full-time crew. This flybridge yacht with raised pilothouse boasts a family-friendly design with huge commercial potential.

Exterior spaces aboard this FERRETTI CUSTOM LINE 97 include the large sundeck with its sun-beds, dining table and hardtop shade, an al-fresco dining area to aft on the main deck, and a sizable beach club with swim platform at the yacht's stern.

She is equipped with new stabilizers with underway and zero speed functions for enhanced onboard comfort and cruising performance. This yacht has been a successful charter yacht and whether used privately or offered for charter by a new Owner, offers huge scope of possibilities.

Through 3 comprehensive refits, in addition to her aesthetic improvements, her engines have received a full QL3 service, and both generators have been comprehensively serviced, representing a compelling opportunity for the upcoming season.

This CUSTOM LINE 97 has a contemporary interior designed by Studio Zuccon International, which utilises light oak and teak. Big windows allow plenty of natural light and give the saloon lounge more of an apartment-like feel. There's an inviting sofa arrangement with a coffee table, and the saloon leads on to the interior dining space where there is a table and seating for 10.

The yacht's impressive interior volume can comfortably accommodate up to 12 guests in 5 en-suite cabins. The master suite is located on the main deck and on the lower deck there are two guest doubles and two twin cabins, each of which has an additional Pullman berth. All of the bathrooms feature heated floors and anti-fog systems.

Powered by twin 2400 Hp MTU diesel engines, this CUSTOM LINE 97 yacht has a 27-knot top speed and a range of 360 nautical miles at her cruising speed of 20 knots

The yacht also carries a Williams 435 Sportjet tender.
