– Located Italy (M FOREVER)

Asking price: EUR 10.900.000 Ex-VAT

Ferretti Custom Line Navetta 33 Tri-deck Yacht for Sale.

Listed for sale for the first time since her 2021 delivery, this 262 GT, 108’3” CUSTOM LINE NAVETTA 33 Tri-deck Yacht for Sale offers "remarkable volume for a yacht of this size".

Constructed in GRP to the Italian yard's Navetta 33 model, she was designed throughout by Italian design studio and long-time Ferretti Group collaborator Zuccon International Project, while her naval architecture was by the Ferretti Engineering Department.

This CUSTOM LINE NAVETTA 33 blends timeless elegance, advanced engineering, and luxurious comfort. Ideal for long-range cruising, she offers excellent stability and exceptional interior and exterior volumes for a 33m yacht. A true tri-deck configuration, she features high-spec interiors, with a comprehensive list of extras.

Being MCA certified, this CUSTOM LINE NAVETTA 33 is designed for both private use and charter – commercially compliant under the Maltese flag. She can thus be used indistinctively whether for private use or luxury charter, delivering a refined yachting experience, combining Italian craftsmanship with superior onboard comfort.

Her Exterior spaces include a sundeck with a Jacuzzi, bar and sun loungers and a large al fresco lounge and dining space on the upper deck aft. Further relaxed seating and sunpads are tucked into the bow and stretched across the main deck aft, of which leads to an opening transom beach club with swim platform.

11 guests are comfortably accommodated onboard across five cabins comprising a full-beam, main-deck Master suite and four lower deck guest cabins: three double and one twin with additional Pullman bed.

Onboard the CUSTOM LINE NAVETTA 33, you'll find living spaces aplenty, each combining "Italian craftsmanship with superior onboard comfort". To start, the main deck saloon features floor-to-ceiling windows and a fold-out balcony to starboard, providing an airy and elegant atmosphere, while the upper deck indoor lounge offers another relaxed retreat with a comfortable L-shaped sofa.

Powered by twin 1400 Hp MAN diesel engines, the NAVETTA 33 offers a top speed of 15 knots and a cruising speed of 12 knots and a maximum range of 1850 nautical miles at her economical speed of 10 knots.

Meticulously maintained, early viewings and offers are strongly encouraged.
