In terms of performance, she boasts a considerable total sail area of 1,304 m2, while on engines her top speed is 15.8 knots, while she boasts a maximum range of 3500 nautical miles when navigating at cruising speed of 12 knots, with power coming from two 1256 Hp Deutz-MWM diesel engines.

Experience the exhilaration of surging through sparkling waves under a cloud of sail, powered purely by nature, on board a yacht that sacrifices absolutely nothing in luxury, water-toys and features. From her spectacular main deck forward 'Circus lounge' – a unique feature – to her swim platform, this PERINI NAVI 52M has it all.

This PERINI NAVI 52M comfortably accommodates in luxury and style up to 12/14 guests in 5/6 en-suite staterooms comprising of 3 doubles and 2 twins with 2 additional Pullman berths and a unique supernumerary twin bunk cabin for staff or children adjacent to Master. In addition, the yacht carries separate accommodation for 10 crew members in 5 cabins, all with en-suite facilities.

You awake in the full-beam Master cabin with sun streaming through the many portholes and settle onto the sofa as you anticipate the day. After a quick session on the beach club's elliptical trainer, dress in the walk in wardrobe before joining the rest of the party in main deck aft cockpit lounge, shaded by the flybridge overhang.

Guests can walk through from the lower deck cabins to the beach club where the deck crew has the water toys ready for action. After, they can shower and make their way up to the flybridge where a lunch of grilled seafood can be prepared. After lunch you can relax on the flybridge sun loungers and feel the awesome power of the wind, or catch a movie in the main deck TV room, as the captain makes sail for the next destination.

With the sails furled and the anchors set, join your friends on the flybridge. As the breeze disappears and the sun heads for the horizon, toast another great day with sundowners before the greatest gastronomic show on earth begins beneath the

big top of the main deck's amazing circus lounge and bar with fine dining for 10 guests. After dinner you can dance the night away here or head down to the lower deck entertainment lounge where the piano is tuned and ready to play.

As sleep beckons, guests retire to their suites where they dream of what adventures are to come the next day.
