PALMER JOHNSON 150 – “FIVE”

45.72M | Palmer Johnson | 2009 | Refit 2025

INTRODUCTION

A masterpiece of design and engineering, the Palmer Johnson 150 “FIVE” embodies the spirit of modern yachting — sleek, confident, and effortlessly elegant.
Delivered in 2009 and refitted to perfection in 2025 at Palumbo Superyachts Ancona, she combines the bold DNA of Palmer Johnson’s sport line with the serenity and sophistication of a contemporary luxury residence at sea.

Every element on board — from her striking exterior by Nuvolari Lenard to her serene, luminous interiors — has been reimagined for today’s discerning owner. The result is a yacht that glides through the waves with grace and power, yet offers an atmosphere of pure calm and understated opulence.

REFIT 2025 – HIGHLIGHTS

The 2025 refit, completed at Palumbo Superyachts, represents a full technical and aesthetic transformation.

Every onboard system, surface, and interior element has been renewed or upgraded to meet the standards of a brand-new yacht.

Key works include:

- Full hull and superstructure repaint (Dupont Arctic Grey, RAL 7035)
- New teak decks throughout
- New stabilizers (Track 540W/26X Fin system)
- Full engine and generator service
- Complete electrical and AV overhaul
- Interior redesign and new furnishings in all guest areas
- Renewed galley and crew mess with Miele Marine appliances
- New jacuzzi and exterior marble bar installations
- Upgraded Starlink & 5G communication system
- New underwater LED lights and full exterior lighting renewal

Every element — from the reupholstered furniture to the reimagined guest bathrooms — reflects an uncompromising pursuit of perfection.

ENTERTAINMENT & TECHNOLOGY

The onboard experience has been elevated with a comprehensive AV and IT refit (2025) featuring:

- Integrated Crestron control system
- Sonos wireless audio streaming across all decks
- Apple TV & iPads in every guest area
- Lutron lighting and ambiance control
- Starlink & dual 5G antennas ensuring high-speed connectivity worldwide

This seamless integration of luxury and technology guarantees total comfort and entertainment, both at anchor and underway.

EXTERIOR LIVING

Her dynamic, sculpted lines frame generous outdoor spaces for relaxation and social life. The sun deck features a new custom Jacuzzi, a marble-topped bar, and expansive

sunpads.
The aft deck provides elegant alfresco dining and lounge areas, while the swim platform ensures effortless access to the sea and water toys.

INTERIOR DESIGN

The interiors blend light oak, soft marbles, and fine Italian craftsmanship.
Each space has been reimagined to reflect modern elegance with timeless appeal — understated tones, delicate lighting, and tailored details that speak to quiet sophistication.

From the serene main salon with its new marble coffee tables and designer sofas, to the intimate dining area and rejuvenated guest cabins, every detail evokes harmony and refinement.

THE ESSENCE OF “FIVE”

Sleek, fast, and utterly luxurious — FIVE embodies the next chapter in Palmer Johnson’s legacy of innovation.

Her extensive 2025 refit brings her to a “better than new” condition, offering her future owner an exceptional blend of performance, beauty, and discretion.

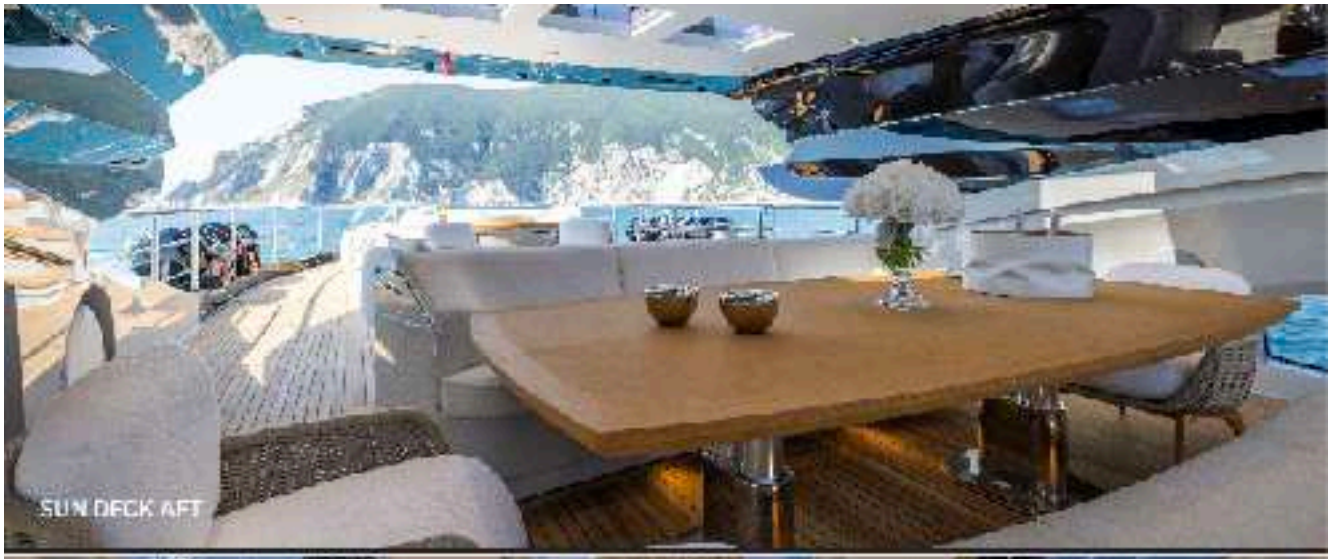

This is not simply a yacht — it is a statement of taste, freedom, and modern grace.
