TERRANOVA EXPLORER 115 « TANANAI"

The TERRANOVA EXPLORER 115 TANANAI is a truly exceptional long-range explorer yacht and the only Explorer 115 ever built. Combining timeless Italian craftsmanship with true ocean-going capability, she offers an elegant balance of comfort, performance and autonomy. Following an extensive refit in 2020 and continuous upgrades, including a new flybridge Jacuzzi installed in 2025, TANANAI is presented in outstanding condition.

Designed by Barracuda Yacht Design, with both the exterior styling and naval architecture created by the renowned Italian studio, TANANAI features a distinctive retro-inspired profile influenced by the classic explorer vessels of the 1950s and 1960s. Her graceful rounded lines, expansive volumes and refined proportions create a unique presence rarely found on today's market.

Built with a GRP hull and superstructure and finished with beautiful teak decks, she offers exceptional seaworthiness while maintaining the elegance expected of a luxury yacht.

ACCOMMODATION

TANANAI welcomes up to 12 guests in six beautifully appointed staterooms, comprising:

- Full-beam Owner's Suite
- VIP Double Suite
- 4 Twin Guest Cabins

Separate accommodation for 7 professional crew, including the Captain, ensures first-class service and complete guest privacy throughout every voyage.

EXTERIOR LIVING

Spread across four generous decks, TANANAI has been designed for effortless outdoor living.

The expansive aft deck offers an elegant al fresco dining area sheltered from the sun, while the swim platform provides seamless access to the sea.

The spacious flybridge has been transformed into an exceptional entertainment area featuring:

- Brand-new Jacuzzi (2025)
- Large sunbathing areas
- Comfortable lounge seating
- Multiple relaxation spaces with panoramic views

Every exterior deck has been carefully designed to maximise comfort, privacy and versatility, whether cruising with family or entertaining guests.

INTERIOR

The interior, designed by Terranova Yachts, combines timeless elegance with warm contemporary styling.

Large panoramic windows flood the main salon with natural light while offering spectacular sea views. The open-plan layout creates an inviting atmosphere ideal for entertaining or relaxing during extended cruises.

Premium materials, generous volumes and refined finishes reflect the yacht's explorer heritage while maintaining the comfort of a luxury residence at sea.

PERFORMANCE

Powered by twin MAN 900 HP diesel engines, TANANAI delivers reliable long-range cruising with impressive efficiency.

Principal Specifications

Performance

- Twin MAN 900 HP diesel engines
- Maximum speed: 15 knots
- Cruising speed: 12 knots
- Economical cruising: 10 knots
- Fuel consumption at 10 knots: 120 L/h
